Re: Christy Refractories Company, LLC Personal Injury Trust - Claims Filing Deadlines

Dear Claimant or Claimants' Counsel:

This letter is to remind Claimants and Claimants' Counsel of the **November 12, 2015** filing deadline applicable to certain claims.

Diagnosis Prior to October 29, 2008

Claimants diagnosed prior to October 29, 2008 who satisfy one of the following provisions ***must file a claim with the Trust no later than midnight Eastern Time on November 12, 2015:***

- a. The claimant filed a claim against Christy Refractories or its predecessors prior to October 29, 2008 within the then-applicable statute of limitations;
- b. The claimant entered into a tolling agreement with Christy Refractories or its predecessors prior to October 29, 2008, provided such agreement was still in effect as of that date;
- c. The then-applicable statute of limitations for the claimant's injury was still running as of October 29, 2008.

Diagnosis On or After October 29, 2008

Claimants diagnosed after October 29, 2008 must file a claim with the Trust ***within three (3) years after the date of diagnosis or by midnight Eastern Time on November 12, 2015, whichever occurs later.***

Filing Fees

All claimants must pay a refundable Filing Fee of \$20.00 for each claim filed with the Trust. The Trust will not process a claim unless and until the Filing Fee has been paid. If the Filing Fee is not paid within sixty (60) days of the Trust's receipt of the claim, the claim will be rejected and the Statute of Limitation will not be considered to have been tolled.

Please note that nothing in this letter modifies the Trust Agreement or the Trust Distribution Procedures, as amended (the "Plan Documents"), and in the event of any conflict between this letter and the Plan Documents, the Plan Documents shall prevail.

To ensure timely filing of claims, the Trust encourages use of the electronic filing options described in the filing instructions available at www.christy-trust.com. If you have further questions, please contact the Trust's claims administrator using any of the following methods:
